

# Wakefield Healthy Housing Pathway

You can refer individuals or families direct through the Wakefield Council Strategic Housing Healthy Homes pathway for help with the following issues:

- **Cold, damp or draughty homes**
- **High fuel bills and/or poor home energy efficiency**
- **Broken heating or hot water system**
- **Poor and hazardous housing conditions**
- **Problems with private landlords**

In some cases, there may be grants and loans available to help with the cost of making home heating and insulation improvements.

This service is particularly interested in supporting the more vulnerable groups who live in the Wakefield district. For example:

- ✓ **Aged over 60**
- ✓ **A household with a child aged under 16**
- ✓ **Those with conditions or illnesses that are made worse by cold or damp housing conditions.**

You can make a referral by completing the following form and emailing it to [healthyhousing@wakefield.gov.uk](mailto:healthyhousing@wakefield.gov.uk) or take a photo and send via **Whatsapp** to **07423 817144**.

**All sections of the form must be completed and you must have approval from the client to share their personal information with Wakefield Council Strategic Housing for the purposes of this referral.**

If they are an owner occupier or private rented tenant, the Strategic Housing Healthy Homes Team will contact them to provide support.

If they are a Wakefield District Housing (WDH) tenant they will be referred on to WDH to provide support.
