What's On Guide

Groups for families and children aged 0-18 years (and SEND up to 25 years)

Session Information		
Session Name	Age range/ Audience	Description
*Aspirations & Wellbeing Group	Aspirations – 8-11 years Unless stated for adults	A weekly session tailored to the group which looks at young people's needs including identity, safety, education, physical health, mental health and positive futures.
Baby Group	0-12 months Pre walkers	A social experience and early learning-based activities for children. A great opportunity to meet other families and a chance to talk to staff about sleep, weaning, health and development etc.
*Baby Massage	4 weeks to crawling	5-week course. Learn strokes and rhymes to help soothe and relax you and your baby. Supports bonding, health, and wellbeing. Please call to be put on the waiting list.
*BEAM	8-12 years	A one-off session to recognise anger cues and triggers, working towards gaining control using exercise, breathing and other strategies.
*Bookstart	2-4 years	6-week programme. Activity ideas around exploring books and nursery rhymes that support speech and language, listening skills and school readiness.
Castle Young Carers Group	6-11 years	A session for 6–11-year-olds who have caring responsibilities for a family member. The group offers support, activities, and a place for a young carer to meet with other young carers to relax and have fun.
*Chit Chat Speech and Language Therapy (SALT)		Children's Speech and Language Therapy helps children with a range of Speech, Language and Communication Needs (SLCN) to achieve and maintain their potential. It also provides support and advice to families. Ring 01977 465417 for more information and to book a place.
Connect Café	From 7 years	Use our devices and access the internet for free. Come and do homework, revision, link to services across the district, applications and form filling and well has job and housing searches etc. Call in any time.
Crofton Young Carers	Under 8 years	A session for under 8-year-olds who have caring responsibilities for a family member. The group offers support, activities, and a place for a young carer to meet with other young carers to relax and have fun.
*Empowering Parents Empowering Communities (EPEC)	Adults	The Being a Parent Course aims to improve child development and outcomes, parenting, family resilience, and family relationships.
*Early Years Parenting	Parents / Carers of children aged 6-11 Years	Over 5-weeks we will look at play and interaction, child development, routines and boundaries, behaviour and strategies.
*Freedom Programme	Adults	This 10-week programme explores violent and abusive behaviours. To support women to recognise when they are being controlled. What is a

		perpetrator? What are the warning signs? The group also looks at the effect that domestic violence has upon children.
*Infant Led Weaning	4-12 months	A one-off information session. A guide for parents of babies aged between 4 to 12 months. Weaning recommendations from 6 months onwards.
*Maternal Journal	Pregnant or recently had a baby	Maternal Journal provides a positive outlet for some of the new feeling and challenges you might experience, both physically and emotionally in pregnancy and new parenthood. Through a series of creative workshops, we will explore journaling to promote positive mental health and wellbeing.
*Midwife Clinic		Midwife appointments – To be booked directly with your midwife.
*Open Access Drop-In Group	Parents/Carers 0-19 years	An open access drop-in group for parents to meet with other parents in a supportive and safe space, gain friendly and honest advice on all aspects of family life and challenges of bringing up children.
*Paediatric First Aid	Adults	A 4-week Paediatric First Aid course run by Yorkshire Ambulance Service. Includes: CPR, choking for an adult and a child, stroke and bleeding, danger, understanding the difference between a heart attack and a cardiac arrest and the recovery position. Taking place at Sunbeam, Castle & Stanley Family hub.
*Parental Wellbeing	Adults	A group session to help cope with stress, anxiety or low mood. Topics include - support with bereavement, domestic abuse, staying safe online, drug and alcohol misuse, gambling, future aspirations and mental wellbeing.
*SEND Open Access Drop-In Group	Parents/Carers 0-25 years	An open access drop-in group for parents to meet with other parents in a supportive and safe space, gain friendly and honest advice on all aspects of family life and challenges of bringing up children.
*Speech and Language Therapy (SALT)	2-16 years	Children's Speech and Language Therapy helps children with a range of Speech, Language and Communication Needs (SLCN) to achieve and maintain their potential. It also provides support and advice to families. Ring 01977 465417 for more information.
Stay & Play	0-5 years	Early learning and play session with social experiences for families. Offers information and guidance on play and interaction, development, and behaviour.
*Triple P	Adults	Designed for parents who are experiencing personal distress from separation or divorce, which is impacting on or complicating their parenting. During the five-week programme, support is given to parents to: understand the impact on children, maintain positive relationships, explore stress, anger and how to communicate better – as well as considering parent wellbeing and support.
Toddler Stay & Play	Confident crawlers to 2 years	Early learning and play session with social experiences for families. Offers information and guidance on play and interaction, development, and behaviour.
*Who's in Charge (WIC)	Adults	Parents/carers welcome to this 6-week programme. Learn strategies to help you change behaviours and attitudes which will produce behaviour in your children. The group explores anger, both in parents and children, encourage assertiveness and self-care. Reinforce progress and provide emotional support.
